

# Are You in the KNOW?

CEA/CCPS have formed a **Liaison Committee** for the upcoming school year. Liaison Committees shall review and discuss specific problems, practices, and policies between CEA and CCPS. It is the hope that once the Liaison meetings begin in September that when a problem occurs or there is a concern in your building that it will be addressed at the lowest level and more efficiently. Each school/site will have this meeting monthly with the principal/supervisor of the building. CEA and CCPS shall have no more than three members each. Representatives of this committee *must* be CEA members. CEA representatives will be responsible for creating the monthly agenda and note-taking. Hopefully, you have already heard about this new joint venture from your principal. But as always, if you have a concern, please feel free to contact me at the office.

Teachers receive up to a **\$300** annual stipend by being enrolled in the Keep Well @Work Program. There are many NEW and exciting programs being offered this year for you and your family...The Edward T. Hall Aquatic Center, Calvert Sports & Learning Center and Eat Right Nutrition Services, and of course, the *very* popular World Gym Membership is still available at all six locations.

To take advantage of this please see the Open Enrollment Dates that Kevin Michael sent out in an email August 28<sup>th</sup>.

If you enrolled in the Fall of 2016, you **MUST** re-enroll to continue to get the same great benefits! 😊

There are many important dates coming up over the next month, but **NONE** more important than August 30<sup>th</sup>...On this date you will receive a *Step* and many will also receive a *Restorative Step*. This was made possible because of your activism in the spring. CEA needs you to continue to move forward. Remember it's "**The U and I in Union that make us strong**".
