

PRESIDENT'S ONLINE UPDATE

June 2, 2017

Good Morning CEA Members:

Some items of interest in the Past and Week ahead:

RESTORATIVE STEP UPDATE

The Board of Education Members are expected to formally approve their annual budget, including the funding formula that provides for your restorative step, on June 6, 2017. Members of the Executive Board attended the May 23 budget hearing which went very well. We should expect two steps on July 1, but it will appear in the August 30, 2017 checks. That is the first check of the new school year.

MSEA EDUCATOR APPRECIATION DAY: JUNE 10

The MSEA Educator Appreciation Day is Saturday, June 10, 2017 at MSEA HQ from 11:00 a.m.-4:00 p.m. MSEA will provide refreshments, a list of participating businesses, and a wristband which entitles members to receive exclusive educator-only discounts at shops, boutiques, and restaurants on Main, Market, and West streets and Maryland Avenue. Attached is a list of participating merchants. There will also be a raffle at MSEA HQ with prizes from local shops. Also attached is a flier to share with your members.

SCHOOLGY TRAINING

Mike Spahr and I have spoken to the Superintendent and the Assistant Superintendent and have been assured that this training will be offered to all employees over the next few months. The accounts are being set up now in Google. If you have an existing account and do not want to use it for school, all you have to do is let them know you would need a new account set up and they can do that for you.

If you are being told that it is an expectation that Schoology is to be used for your job and have not received the adequate support, please let myself or Mike Spahr know.

LABOR-MANAGEMENT MEETINGS

Starting this fall we are looking to start school by school monthly meetings between CEA representatives and their principals to address local issues within the school. If you are interested in participating, or being involved in this evolving conversation, please contact the Uniserv, Mike Spahr at mspahr@mseane.org.

MSDE SURVEY: INNOVATIVE SCHOOL SCHEDULES

MSDE is looking for feedback from educators on the innovative school schedule recommendations that were developed by the Innovative School Schedule Workgroup. The recommendations and survey responses will be shared with the State Board of Education. MSDE is looking for feedback from a variety of stakeholders including, but not limited to, teachers, parents, local school board members, representatives from institutions of higher education, and central office staff. Please share the survey and report. Preliminary survey results will be shared with workgroup members on June 7. The deadline to take the survey is June 19.

CEA RETIREE RECEPTION

CEA will be hoisting a reception for all our distinguished members that will be retiring this year. It will be held on Tuesday, June 6 at 4:30pm in the Atrium at Calvert High School. We invite all retiring teachers to attend.

MEMBERSHIP INVOLVEMENT

Attached is [MSEA Membership Involvement Form](#) to members to encourage them to become involved with the association.

This will be my last Online Update.

It has been an Honor to have represented the teachers of Calvert County Public Schools for the last two years. Best of Luck in the Future and thank you for your support. I will be going back to teaching at the Career and Technology Academy, starting in August.

HAVE A GREAT SUMMER AND ENJOY YOUR TIME OFF.

Dennis Mooney, President
Calvert Education Association
